Dodge County Aging & Disability Resource Center

The Aging & Disability Resource Center (ADRC) of Dodge County is the first place to go to get accurate, unbiased information on all aspects of life related to aging or living with a disability. The ADRC welcomes individuals, concerned families or friends, or professionals working with issues related to aging or disabilities. The ADRC provides information on a broad range of programs and services, helps people understand the various long term care options available to them, helps people apply for programs and benefits, and serves as the access point for publicly-funded long term care.

Hillside Community Support Services

Helps individuals to continue living in their homes and can provide peace of mind for relatives unable to provide on-site supervision and support of a family member. The scheduled visits of an experienced staff person in the home, who not only performs tasks; but can observe changes in the client's status, add to the safety network.

Lifeline

Live Alone with Peace of Mind

Lifeline is an emergency response program offered through Hillside Home Care. The program makes it possible for elderly or disabled individuals to live alone and have the security of knowing that help is only a phone call, or push of a button, away.

Lifeline is a personal home monitoring system that provides prompt assistance 24 hours a day, 365 days a year, reassuring family members that their loved one will have access to medical attention if they are unable to summon help themselves.

Mossflower Harbour

An assisted living facility located in Mayville, WI. Assisted living facilities, which range in size from a single home to a section of a larger community, typically offer an independent living space – usually a room or small apartment – plus daily assistance and services from trained caregivers. They’re generally more homelike, less institutional, and less expensive than nursing homes but provide more active individual monitoring than retirement or independent-living communities. Many residences allow personal furniture and have a kitchenette; some offer the option to either live alone or with a roommate.

National Alliance on Mental Illness (NAMI) Dodge County

NAMI's support and public education efforts are focused on educating America about mental illness, offering resources to those in need, and insisting that mental illness become a high national priority. Mental illness is a serious medical illness that affects one in four families. No one is to blame. Treatment works, but only half of people living with mental illness receive treatment. NAMI has engaged in a variety of activities to create awareness about mental illness and promote the promise of recovery.

Safe Place for Newborns

There is a life-saving option for you and your baby.

Every state has a "safe haven" law. Although they vary a bit from state to state, these laws make it possible for you to leave your unharmed newborn in a safe place – no questions asked.

In Wisconsin, a parent can safely surrender their unharmed newborn up to **72 hours old with any firefighter, police officer, EMT or hospital employee** without fear of prosecution.

The founding purpose, and continuing mission, of Safe Place for Newborns is to save the lives of newborns in danger of abandonment, and to help preserve the health and future of their mothers.

Dodge County Housing Authority

The mission of the Dodge County Housing Authority is to provide affordable housing opportunities for lower income people, including families, elderly and special needs clients. Currently we offer these programs:

- **HUD Housing Choice Voucher Program** – provides rental assistance for low income individuals, families, senior citizens, and persons living with a disability. The household pays between 30% - 40% of their income towards the rent and utilities. The program pays the subsidy directly to the landlord. Participants can rent from a private landlord and are not limited to a particular type of housing. It can be used in an apartment complex, duplex, house, mobile home, etc.
- **Senior Apartment Buildings** – We operate apartment buildings for senior citizens (age 62 or older) or persons living with a disability regardless of age with locations in Juneau, Beaver Dam, Waupun, Iron Ridge, Reeseville, Lowell, Old Ashippun, Theresa and Hustisford. Rent is based on 30% of adjusted income with deductions made for medical expenses. These are one bedroom independent living apartments limited to two occupants.
- **Low Income Apartment Building** – We operate an apartment building in Burnett. These are available to anyone of low income and are one bedroom independent living apartments limited to two occupants. This building is not restricted to senior citizen or disabled. Rent is based on 30% of adjusted income.

UW-Extension Family Living Programs

Enrich families and strengthen communities. Backed by university research, we work for Wisconsin families by:

- Helping communities respond to issues such as childhood obesity, financial security, and quality child care.
- Providing leadership for policies that help children, youth and families succeed.
- Increasing knowledge about parenting, health and nutrition.
- Offering consumers and families more strategies for managing their money.
- Reaching out to diverse families with education and resources.
- Using cost effective approaches to reduce negative family issues and build more resilient families

ARC of Dodge County

ARC Dodge County is a group composed of parents, guardians, caregiver professionals and people with cognitive disabilities that have bonded together with a common goal. That goal is to promote the best opportunities and enhance life for everyone. The bottom line is enhancement, enrichment and opportunities for all. We try to achieve this goal with our programs like Special Olympics sports, competitions, social activities, seasonal party's field trips and teaching opportunities. We hold special interest meetings geared to many needs. We also have many links to camps, organizations and state agencies

Wisconsin Family Assistance Center for Education, Training & Support (“WI FACETS”)

A statewide non-profit organization, with its main office located in Milwaukee, Wisconsin. WI FACETS was founded in June 1995 by a small group of parents who had a strong desire to help other families understand the special education laws and systems.

WI FACETS:

- Helps parents build partnerships with those who provide services to their children.
- Connects families to community resources.
- Educates parents on their rights and how to use those rights to become involved in their child’s education.
- Empowers parents and young adults so they may advocate effectively for their own needs.
- Provides information and resources to educators and other professionals who support children with disabilities.

Grief

Afternoon Grief Support Group

Meets the 3rd Tuesday of each month, 12:00- 1:15 p.m.

Cost: Free Community Service

Sponsored by Agnesian HealthCare, this afternoon grief support program is designed to help participants cope with the death of a loved one in an informative and supportive group setting. In addition to a general overview of the grieving process, participants will also learn differences in grieving, how to manage their grief, past grief experiences and how to prepare for and face special days such as holidays, birthdays and anniversaries. Other topics to be addressed include spirituality and grieving, how to help others cope with their loss, and the importance of closure – how to go on after saying “good-bye.”

Serving the Community — Grief & Mourning

Hillside Hospice knows that the need for support does not end with the death of the patient. Your family and friends will embark upon a journey through grief that is individual to each of them.

Hospice continues to be a resource and support, providing information and compassionate listening. Trained grief-support professionals offer a support group with others who are also on a grief journey and can understand one another and share ideas for coping.

Hillside Hospice offers the following grief services free of charge and to anyone who has experienced a loss.

A Step Beyond Support Services

This group meets the second Tuesday of each month and provides an ongoing support after and in between the bi-annual six-week Grief Support group. The leaders facilitate discussions regarding topics that individuals face during the grief journey.

HUGS (Hospice Unlimited Grief Support)

HUGS is a group offered to all who have attended the Grief Support Group and wish to continue to support and socialize with others who have gone through the group. This group meets socially to support and encourage each other. A schedule is posted every six months.

YMCA of Dodge County – Youth Wellness: The Loft

The Y is dedicated to Youth Development. Here in Dodge County, many of our pre-teen youth fall between community programs. Yet this is the age when life altering problems such as obesity, poor self esteem, drugs, alcohol and more affect great numbers of our youth. Building healthy self-esteem, health and well-being habits, knowledge and character development are all tools that can help our youth make positive choices and achieve better health and educational achievement.

YOUTH WELLNESS: THE LOFT is entirely FREE to all BDUSD students, and is open to all Dodge County community youth for a nominal fee.
